We all are looking forward to meet again and dance together in ONE big ballroom. This time we make use of the most spacious place humans have invented - the WWW. Enjoy the atmosphere of the day with or without dancing, with or without your own camera on. Your microphone will be OFF the whole session until the afterparty. Feel free to use the chat or emails for comments or feedback. Sorry- this time **no film or records** without written consent of the visible/audible persons. Dance list (MFL) on request.

We thank Alexander Pohl for hosting the zoom session  
And all supporting and attending cuers, clubs and dancers
